4. Invitation to the Members of the Public to Speak: - Comments offered expressed concern over that the scale of the extension and the architectural quality of the design regarding the visual impact and loss of privacy.

5. To Consider a Request form East Suffolk Council Regarding planning Application DC/21/0647/FUL - Newlands, Boulge Road, Hasketon.

Would the Parish Council wish to withdraw their objections to this application (which is currently still under consideration by East Suffolk Council Planning) if the Annex were withdrawn from the application.

The Councillors acknowledged the level of public interest in this application and noted the number of submissions to East Suffolk Council. A number of observations were expressed in relation to the bungalow extension and it was considered that the application was initially considered as a single application and although the comments and observations from the Parish Council were focused mainly on the annex it is considered that the removal of the annex from the application represents a significant change and given the scale of the bungalow extension and public interest in this application the Council would want the opportunity to consider an application to extend the bungalow on its own merits.

It was resolved not to withdraw the Parish Council objections to this application and state the PC would wish to consider the Bungalow extension as a separate application should the annex be omitted.

Unanimous.
